**European Electronics** is a leading European company specialising in supplying a wide range of industrial electrical and mechanical equipment to a broad spectrum of industries. Many years of experience and familiarity with the problems relating to this sector enables us to supply a wide selection of certified products: new, refurbished, obsolete and repair. This is in order to satisfy the complex needs of the market and to help all our customers to keep their production operation running smoothly.

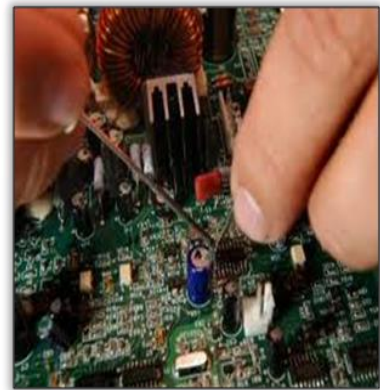

**European Electronics** is a leading supplier of industrial automation, for example: **Circuit Boards, Drives, Encoders, Monitors (HMI), Motors, PLCs, Pneumatics, Power Supplies, Industrial PCs, Process Controls, Safety Controls, Sensors, Temperature Controls, Test Equipment, Timers/Counters, Valves, Robots and many more.**

Our company has, for many years, been supplying different manufacturers' products including: **ABB, Bosch, B&R, Eurotherm, Control Techniques, Danfoss, Denison, Fanuc, Heidenhain, Indramat, Mitsubishi, Omron, Siemens, Telemecanique, Yaskawa and more.**

Our **prices** are very **competitive**; our **delivery times** are **fast** and our **products** are fully tested and covered by our warranty

Please don't hesitate to contact us if you can't find the items you are looking for - our experienced team is very happy to help.

## Our Products

## Products we supply

**Step Motors**

**Servo Motor**

**Encoders**

**Servo Drives**

**Inverters**

Step Motors  
Absolute encoders  
Motor control centres  
Motors for Motion Control  
SIMOTICS M main motors  
SIMOTICS T torque motors  
Servo and main spindle geared  
Servo Systems  
Power Supplies  
AC Low-voltage converters  
DC converter unit

Incremental encoders  
Motors  
Low-Voltage Motors  
SIMOTICS S servomotors  
SIMOTICS L linear motors  
Motor spindles  
Servo Drives  
Variable Frequency Drives  
Transformers  
Medium Voltage AC Converter

**HMI**

**PLCs**

**Fieldbus**

**Remote I/O**

**Industrial PC**

Operator panels  
HMI software  
Customized Automation  
Monitors  
Fieldbus  
Industrial Communication  
PC-based Automation

HMI devices for special requirements  
Panel PC systems and monitors  
HMI  
Interface Modules  
Industrial PCs  
Industrial Controls  
Process control systems

**Software**

**Process Controller**

**Circuit Breakers**

**Sensors**

**Pneumatic**

Process Controls  
Test Equipment  
Operator Interfaces  
Circuit Breakers  
Control Stations  
Fuses  
Distribution Panels  
Molded Case Circuit Breakers ( MCCB)  
Selector Switches  
Proximity Sensors  
Safety Systems  
Digital Panel Meters  
Safety Curtains  
Weld Field Immune Sensors  
Colour Vision Sensors  
Smart Vision Sensors  
Analog Sensors  
Pneumatic Fittings  
Pneumatic Cylinders  
Manual Mechanical Valves  
Hydraulic Cylinders

Temperature Controls  
Timers  
Digital Panel Meters  
Enclosures  
Limit Switches  
Fuse Holders  
Cables  
Push Buttons  
Photo Sensors  
Sensors Actuator Boxes  
Bar Code Readers  
Fibre Optic Sensors  
Ultrasonic sensors  
Colour Detection Sensors  
2D Bar Code Sensors  
Real Colour Vision System  
Pneumatics  
Pneumatic Valves  
Airline Accessories  
Pneumatic Fittings  
Robots

**Price match:**

Our prices always beat the competition with our best prices guaranteed.

**Massive discounts on:**

Allen-Bradley SIEMENS  
Schneider Electric OMRON SICK

**Our Products:**

✓ Tested  
✓ Approved  
✓ Warranty up to 18 months
